SUMMARY

Motivated software engineer with a strong foundation in full stack development. Passionate about crafting exceptional user experiences in product design and continuously expanding my knowledge in software development. In my free time, I volunteer for a non-profit organization and offer freelance web and app development services. Seeking an opportunity to contribute to innovative projects and grow as a developer.

WORK EXPERIENCE

MrScraper

Client Success Manager (Retail)

Feb 2025 – Nov 2025
